

DEMONSTRATIONS AND HELP CLINICS

All of these FREE activities take place in the Pavilion Rotunda on your way to the Marketplace. Drop in to any of them!

THURSDAY,
FEBRUARY 16

- 9:00-5:00 Karen Aho will answer all your knitting questions and help with any dilemmas on your needles. Not a knitter yet? Karen will walk you through it.
- 9:00-5:00 Tracy Irwin – Try your hand at Weaving as Tracy demonstrates the pinwheel design, showing many different patterns made by changing the tie-up.
- 9:00-5:00 JC Briar –Stitch Maps Software Demo. Learn about this innovative software that charts your patterns using traditional symbols without a grid.
- 9:00-5:00 Kari Elliot – Sock Knitting Machine. Come learn about these speedy antique machines that make sock knitting simple and fast.

FRIDAY,
FEBRUARY 17

- 9:00-5:00 John Mullarkey – Small Looms, Big Weaving. Learn pin loom weaving on the portable Zoom Loom and try a little card weaving.
- 9:00-5:00 Karen Aho will answer all your knitting questions and help with any dilemmas on your needles. Not a knitter yet? Karen will walk you through it.
- 9:00-12:00 Pamela Grossman – Learn all about brioche – bring your projects and questions and learn how to read patterns, fix mistakes and work in two colors.
- 10:00-5:00 John Whitley – Kumihimo braiding demonstration on Kakudai – a square stand where the braid progresses upward from the stand as it is worked.
- 12:00-5:00 Jillian Moreno – Come delve into the wonderful world of spinning the yarn you want for any knitting project with the author of Yarnitecture!
- 2:00-5:00 Tracy Irwin – Try your hand at Weaving as Tracy demonstrates the pinwheel design, showing many different patterns made by changing the tie-up.
- 2:00-5:00 Laurinda Reddig– Crochet make-and-take flowers and butterflies with Ravelry designer and author of The Secret Stitch and Reversible Color Crochet.
